To the Shareholders and the Supervisory Board of Agora S.A.

Introduction

We have reviewed the accompanying condensed semi-annual consolidated financial statements of Agora S.A. Group (hereinafter called "the Group"), having Agora S.A. as its parent company (hereinafter called "the Parent Company"), comprising the consolidated balance sheet as at 30 June 2024 and the consolidated income statement, consolidated statement of comprehensive income, the consolidated statement of changes in equity, the consolidated cash flow statement for the period from 1 January to 30 June 2024 and other explanatory notes

Management of the Parent's Company is responsible for the preparation and presentation of these condensed semi-annual consolidated financial statements in accordance with the International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union. Our responsibility is to express a conclusion on these condensed semi-annual consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with the National Standard on Review Engagements 2410 in the wording of the International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity as adopted by the National Council of Certified Auditors. A review of condensed semi-annual consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Translation note:

This version of our report is a translation from the original, which was prepared in Polish language. All possible care has been taken to ensure that the translation is an accurate representation of the original. However, in all matters of interpretation of information, views or opinions, the original language version of our report takes precedence over this translation.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed semi-annual consolidated financial statements have not been prepared, in all material respect, in accordance with the International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union.
