## Independent statutory auditor's report on the review of the condensed semi-annual unconsolidated financial statements

To the Shareholders and the Supervisory Board of Agora S.A.

### Introduction

We have reviewed the accompanying unconsolidated balance sheet of Agora S.A. (hereinafter called the "Company"), as at 30 June 2025 and the related unconsolidated income statement, unconsolidated statement of comprehensive income, unconsolidated statement of changes in equity and unconsolidated cash flow statement for the six-month period then ended, and the related explanatory notes (the "condensed semi-annual unconsolidated financial statements").

Management of the Company is responsible for the preparation and presentation of these condensed semi-annual unconsolidated financial statements in accordance with the International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union. Our responsibility is to express a conclusion on these condensed semi-annual unconsolidated financial statements based on our review.

### Scope of review

We conducted our review in accordance with the National Standard on Review Engagements 2410 in the wording of the International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity as adopted by the resolution of the National Council of Certified Auditors. A review of condensed semi-annual unconsolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed semi-annual unconsolidated financial statements have not been prepared, in all material respects, in accordance with the International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union.
